Hiya Folks,

Once more its Sunday - and once more I'm in "rest camp"! - Just arrived yesterday afternoon for a week's stay. Isn't the same place as I was before, but run almost by the same personnel so it has been a great deal like "old home week".

I'll just dash off a note now and try to find the will power tomorrow to get a real letter off to you. - You must realize we are very busy resting - which includes a lot of sleeping + eating! - Expect it will be a lot more of the resting done than it was before. We have an entirely different sort of a place - and nothing but walking or an exercise. - But its an interesting place & one which should afford lots of sight-seeing. - At least, it beats sweat out the schedules & missions and we are theoretically away from the war - so don't have that hanging over us!

I'm on my way to bed now - so I'll just stop. Don't forget the fingers being crossed for they really help out!  
Lots of Love,  
Frank
