Hiya folks.

Here's one of my last shots of V mail and it's so wrinkled I'm afraid it might not go thru. I hope so cause I want you to have my new address. Can you make it out from the above, or shall I write it again? Anyhow, it's - 432 Bomb. Sqdn, 17th Bomb. Gp. - A.P.O. 520, 92nd St. NYC.

I wrote you a letter today - so maybe you'll get it about 2 weeks after you get this. My mail was coming thru fairly good until I moved again. Now I expect it will take about 3 or 4 weeks for it to get straightened out again.

I'm now over here - hard at work, - doing what we came over for. Are you following it all in the papers? Probably not. I know cause all these queer names mean nothing to me until I started going thru in person. Can so. I still can't pronounce most of them!

Ran into a doctor here who knows Henry. He graduated from G.W. in '41 - 6 mos. ahead of Henry. I'm not sure of his name, but will write Henry about him when I find it out.

Hope you have a very nice anniversary on the 24th - but I know you won't get this until long afterwards. - Anyhow, you'll know I was thinking of you and wishing you many more. Lots of Love, Frankie to you. Love Frank
