DEVELOPER'S STAMP

P.S. - By the way, I have to say, please you officially for my packages, and  
now I am sure it will be a great help to you.

Hiya folks,

Now it is Saturday night - and do I have a date and  
am I going to a show some where? - I do not and I am  
not! - Altho there is a show on tonight but I can't again!  
We have our own show movie operating over here with about 3  
shows weekly - but as of yet I haven't been once since moving  
to Sandhills - the two shows sold when our tent is fixed up so  
nice & comfortable.

at least we had a little mail arrive yesterday and today!  
yesterday I got a letter from Daddy, Marion, and Phyllis & things  
along with two boxes! - one from Sister with all her nice  
socks and my socks (I killed soap, I believe) and a box of hushys  
from Fred! - Today - a package from Sister containing some nice  
silver hair! - I'm led to believe I might at last have a use for  
the hair towards the end of the month. - The socks are just a  
few but large - but think they will be nice & comfortable anyhow  
and as for the candies - well - I don't have to tell you about  
how well they were received - do I?

Tonight we are really feasting - We baked an old hen & fat  
for a chicken so I made me an oven and right now the old  
bird really is beginning to smell scrumptious! - Can hardly wait!  
- Little best it means -
